

Slips Away

music by Carleton Macy
words by Sam Shepherd

1

shu - bap shu - be du - ba wa - be du wa wa wa I saw my

shu - bap shu be du - ba wa - be du wa wa wa

shu - bap shu be du - ba wa - be du wa wa wa

shu - bap shu be du - ba du - wa - du wa wa wa

4

face in yours I took you for my - self

face in yours for my - self

face in yours for my - self

I saw my face took you for my

7

slips away

I took you by mis - take for me
 by mis - take took you for
 by mis - take took you for
 self by mis - take took you for

10

walk walk walk walk and talk I learned your
 me walk and talk
 me walk and talk
 me I learned your walk and talk

13

mouth I learned the se - crets in your
 mouth I learned the se - crets in your
 I learned your mouth se - crets in your
 your mouth se - crets in your

16

slips away

eyes but now I find the feel - in slips a - way

eyes slips a - way

eyes slips a - way

eyes du du du du slips slips a -

19

what's with me night and day is gone but now I find the feel - in

what's with me night and day is gone but now I find the feel - in

whats with me night and day is gone but now I find the feel - in

way what's with me night and day is gone

22

slips a way slips a-way slips a-way slips a-way slips a-way where you left

slips a-way slips a-way slips a-way slips a-way slips a-way

slips a-way slips a-way slips a-way slips a-way slips a-way

slips a-way slips a-way slips a-way slips a-way slips a-way

slips a-way slips a-way slips a-way slips a-way (way)

25

slips away

off and I be-gin it took me time to break the line
 where you left off and I be-gin it took me time to break the line
 where you left off and I be-gin it took me time to break the line
 off and I be-gin time took me time to break the line

28

and on your own is tough e-nough with-out the
 and on your own is tough e-nough with-out the
 and on your own is tough e-nough with-out the
 and on your own is tough e-nough with-out the

31

thread that we got bro-ken but now I find the feel-in
 thread that we got bro-ken but now I find the feel-in
 thread that we got bro-ken but now I find the feel-in
 thread that we got bro-ken but now I find the feel-in

slips away

34

slips a - way what's with me night and day is gone

I find the feel - in slips a - way what's with me night and day is

I find the feel - in slips a - way what's with me night and day is

slips a - way what's with me night and day is gone

37

but now I find the feel - in slips a - way slips a - way slips a - way

gone, but now I find the feel - in slips a - way slips a - way slips a - way

gone, bu tnow I find the feel - in slips a - way slips a - way slips a - way

gone slips, slips a - way slips a - way du du du du

40

if we could sig - ni - fy from far a - way just

if we could sig - ni - fy from far a - way just

if we could sig - ni - fy from far a - way just

du

slips away

43

close enough to get the touch

close enough to get the touch, you'd find your face in mine and all my

du du

46

to bring you back to me bring you back to me to

fa - ces try - in to bring you back to me bring you back to me to

du du du du du du du du

49

me but now I find the feel - in slips a - way

me to bring you back to me du du du du a - way slips a - way

slips away

52

what's with me night and day is gone but now I find the feel - in

what's with me night and day is gone but now I find the feel - in

what's with me night and day is gone but now I find the feel - in

du du du du what's with me night and day is gone du du du

55

slips a - way slips a - way slips a - way slips a - way slips a - way

slips a - way slips a - way slips a - way slips a - way slips a - way

slips a - way slips a - way slips a - way slips a - way slips a - way

slips a - way slips a - way slips a - way slips a - way slips a - way

58

du du du face in yours I took you

face in yours

face in yours

slips away

61

for my - self I took you by mis - take for me

for my - self by mis - take took you for

for my - self by mis - take took you for

took you for my self by mis - take took you for

65

walk walk walk face in yours I took you for my - self

me face in yours for my - self

me face in yours for my - self

me I saw my face took you for my

69

I took you by mis - take for me

by mis - take took you for me

by mis - take took you for me

self by mis - take took you for me
